Part #
G8X14AA

Product Features and Benefits

- Help protect your HP Pro x2 612 G1 Tablet screen and work smarter on the go with the no compromise, full-featured HP Pro x2 612 Travel Keyboard.
- Enjoy a full-sized, backlit keyboard with rows of Function and shortcut keys, LED indicators, and a clickpad for easy content creation and quick data entry.
- Enjoy easy connectivity to external devices with a USB 3.0 port and maintain your communication capabilities with an integrated combo audio jack.
- Power up by connecting your tablet's adapter to the DC connector on the keyboard.
- Help protect your tablet and screen with a complete folio wrap with a magnetic flap that folds back to a kickstand with a 120-degree viewing angle.
- Secure the tablet inside the folio with a physical connector and integrated holder.
- Rest easy with a one-year limited warranty.
