

# RoadRunner 580GPS

PCDVRR580GPS

## EXPERIENCE NEW POSSIBILITIES WITH 2 CHANNEL CAMERA

The RoadRunner 580 with front and rear camera has been designed to capture everything that happens around. Containing a wide 3-inch screen, supreme performance and exceptional image quality, together with two cameras recording, will give twice as much safety on your travels.

### KEY FEATURES

- **EXTRA VISIBILITY:** Experience panoramic view with front and rear camera for extra safety on the road. A 2 channel camera allows front and rear view recording simultaneously
- **VIDEO QUALITY:** 2-channel Full HD video quality with Ambarella A7 chipset, sensitive Aptina sensor, 170° viewing angle, IS and WDR technology
- **GPS OPTION:** The GPS sensor assures speed, acceleration and geolocation data are stored together with your video data
- **NIGHT VISION:** Automatic adjustment for light sensitivity and great performance with sharper images in low lighting conditions, recording in the night with Night Vision mode

### INCLUDED

- Car video recorder
- Suction mount
- Car charger
- USB cable
- CD driver
- Quick start guide
- Warranty card
