### RECOMMENDED SERVICES

#### Warranty Upgrades – Onsite / In-Home Service

Maximizes PC uptime and productivity by providing convenient, fast repair services in your own home.

#### Warranty Extensions (1-to-3 Years Total Duration)

This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment and potentially lower the cost of ownership over time.

#### Accidental Damage Protection

Avoid the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops or damage to the integrated screen.
