High-Quality Leather and Foam Filling

The chair is covered by a high-quality eco-leather that echoes leather utilized in the interior of premium cars. It is easy to clean, resistant to damage, and pleasant to the touch. High-quality foam filler gently supports the body, thus helping muscles to avoid discomfort and fatigue.

Headrest Support

Winning in long battles is possible only when you're in a good mood and seated with maximum convenience. To ensure this, we equipped the chair with a soft pillow, which provides additional support for a head and allows a neck to rest. No more feeling of tightness in the neck and shoulders!

Lumbar Support

The lower back is often subjected to excessive loads, so we paid special attention to the design of lumbar support pillow. It will give you maximum comfort even if you want to play for many hours. Sit comfortably and win in long games!

Height Adjustment

The chair has a reliable gas lift, which allows you to adjust the seat height with maximum precision. Due to this, you can conveniently sit at any table, avoiding unnecessary strain on the arms and shoulders. Gas lift is made with the latest technology, which has undergone rigorous testing.

Firm and Stable Base

5-star nylon base with 60 mm polyurethane castors provides the chair with excellent stability and quiet rolling on any surface. Thanks to this, the chair moves without excessive effort. Unfailing assistance for a perfect win!

Backrest Tilt

Take a rest without losing control over the game! You can recline the back of the chair 90 ° -165 °, stretch, and give the muscles of the back and arms to relax. A few minutes of relaxation - and you can play again at full power!

3D Armrests

These 3D-armrests are designed with the use of the latest technology. They can be moved forward and backward, up and down, and also up to 15° in and out. This allows you to avoid overstrain in the arms for a long time. Get maximum comfort even after many hours of play!

Metal Frame

This chair is reinforced with a 1.5 mm thick metal frame. This is important for better durability and stability of the chair, as well as improved handling. Besides, this frame makes the construction of the chair even more reliable.
