Prestigio

GET EVIDENCE ON THE ROAD

Compact and affordable car video recorder with 1.5 inch LCD screen. The RoadRunner 133 records videos up to HD resolution, features cyclic recording and motion detection to provide additional safety when on the road. In addition it's small weight makes it highly portable and almost invisible in the car.

KEY FEATURES

- **HD QUALITY:** The Camera records videos in up to HD resolution with pure sound and clear images, which captures every single detail of your trip
- **BRIGHT 1.5-INCH TFT SCREEN:** Easy to customize the image clarity, contrast and colour settings with a 1.5-inch LCD screen.
- **MOTION DETECTION:** in this mode, video shooting starts only when detecting a new movement in the frame. It allows you to save the memory card for a longer video
- **COMPACT SIZE:** The Compact size and weight of only 44 g, makes the RoadRunner 133 highly portable and almost invisible in the car
- **BEST VALUE FOR MONEY:** High build quality and a stylish design at an extremely affordable price

INCLUDED

- Car Video Recorder, 3M Mount, Quick Start Guide, Warranty Card
