

YOUR LIGHTWEIGHT ROAD GUARD!

With the new Prestigio RoadRunner 140 you will always be sure that all the important events on the road are captured. 110 degrees viewing angles, 4 layer glass lens and 4x digital zoom ensures clear and detailed video in Full HD, whilst the 12 MP camera takes vivid and light pictures. It is extremely compact and the lightest roadrunner in the Prestigio collection, so it is almost invisible in the car and easy to transport even in a small pocket.

- **FULL HD VIDEO:** Full HD quality is optimal for car video registers because it ensures clear images and makes details visible.
- **BRIGHT SCREEN:** 1.5-inch LCD screen gives an opportunity to adjust image options like clarity, contrast and colour settings.
- **ALMOST INVISIBLE:** The Roadrunner 140 is not overtly visible in the car, thanks to its compact size.
- **MOTION DETECTION:** in this mode the video shooting, starts only when detecting a new movement in the frame, allowing you to reserve the memory card for a longer video.
- **VIEWING ANGLE 110°:** Capture the wide field of view with 110 ° viewing angle.
- **THE GREATEST DEAL:** All the latest technologies, high quality and modern design are delivered for an extremely affordable price

Display Size	1.5" 480x240 px
Processor	NT96223
Video I Photo Resolution	1920x1080 25 fps 12MP
Image Sensor	1 MP CMOS 1/4"
Lens Viewing Angle Zoom	4-Layer lens 110° 4x
