Smarter Digital Experience

➤ Toshiba EasyMedia

Today's technologies are getting more and more complex. So we designed Toshiba EasyMedia to make your digital lifestyle a breeze – focusing on three key areas:

High Definition

Hollywood blockbusters use amazing special effects. So to get the full experience, you need a notebook that does them justice. Choose a model from our Satellite series, or the new Qosmio G40. Packed with Toshiba EasyMedia features, the Qosmio G40 brings new meaning to High Definition:

- HD DVD-R and a Full HD 17" screen – bringing movies to life in 1080P Full HD quality
- Unique and intuitive Qosmio AV Controller
- Outstanding sound from five Harman Kardon® speakers, including subwoofer

Easy Connectivity

You demand quick internet access – you don't want to be faced with control panels and new configurations. With Easy Connectivity you get online fast with features including:

- Unique Diversity Antenna helps you find a signal where many other notebooks can't
- Toshiba ConfigFree™ software creates a visual map of hotspots – you simply click to connect

Easy Usability

Why take the long route when you can get there instantly? We believe life should be simple, so we've created innovative features for the Satellite A200 and other notebooks in the series, giving you easy access to your digital world, including:

- Dual Mode Pad – bringing you instantly to any shortcut you want
- Toshiba Flashcards provide virtual hotkeys, accelerating access to your favourite applications
- Toshiba EasyKeys for one-touch multimedia entertainment

Toshiba EasyMedia is available on Toshiba Qosmio and Satellite models. Simply choose the features you love – and finding the right notebook becomes easy.

➤ Looks you'll love
