

Business essential.

HP recommends Windows Vista® Business.

HP Compaq 6720s Business Notebook PC

Affordable, practical, 15.4-inch widescreen

Make a good business decision

With its fresh new look, impressive combination of mobile office features, and a starting weight of only 5.5lbs/2.49kg, the HP Compaq 6720s is an excellent price-for-performance package.

Broaden your perspective

You have a choice of displays and can select the right 15.4-inch diagonal WXGA display that best suits your needs – choose between the anti-glare, and HP BrightView display. A BrightView display improves the brightness, contrast and clarity of your notebook's screen by providing a more vivid image that is similar to a plasma, or LCD television display.

Technology in tune with your needs

Experience new levels of system responsiveness when running multiple applications and smarter battery performance designed to help extend mobility with Intel® Core™2 Duo Processor. ¹ The optional DVD+/-RW SuperMulti DL LightScribe Drive ² makes your storage media stand-out with custom labels that you can burn directly to your disc.

Stay connected on the go

The HP Compaq 6720s helps you stay connected where you need to work by offering Wi-Fi Certified WLAN ³, so you can access your emails or the Internet at work, at home or on the road. Integrated Bluetooth® wireless technology provides wireless short-range communication or connectivity between other Bluetooth devices such as printers and mice.

HP Professional Innovations help you focus on your business

Built to protect. Multi-layered, customizable security solutions help defend your network, your applications, and your data. Device Access

Manager for HP ProtectTools controls ports and removable storage devices on your system in order to prevent unauthorized users from transferring or removing your data.

Built to simplify. Features such as an integrated Secure Digital (SD) Card reader help boost your productivity while maximizing simplicity.

Built to last. With over 95,000 hours of testing, the HP Total Test Process helps ensure that your notebook will withstand a wide range of work environments.
