

HyperX Cloud Flight Wireless Gaming Headset

Reliable wireless freedom with long-lasting battery life.

Escape the limits of cable connections and roam free with the wireless HyperX Cloud Flight™. With a solid, gaming-grade wireless connection, incredible 30-hour¹ battery life and signature HyperX comfort, Cloud Flight allows you to play uninterrupted for longer. The closed-cup design helps keep you immersed, while the durable steel slider and high-quality construction mean it's built to withstand daily wear and tear. This PC, PS4™ and PS4™ Pro ready headset is also headphone compatible with devices that support a 3.5mm wired audio connection² via the included cable. The ear cups rotate 90° to rest comfortably around your neck during breaks, and feature convenient controls for LED effects, mic mute, power and volume. The detachable noise-cancelling mic helps ensure that your communications are heard crystal clear, and Cloud Flight has been certified by TeamSpeak and Discord.

- Gaming-grade wireless with long-lasting battery life
- Signature HyperX comfort
- Immersive in-game audio
- Durable, adjustable steel slider
- PC, PS4™ and PS4™ Pro ready
- 90° rotating ear cups with LED lighting effects
- Intuitive audio and mic controls
- Detachable noise-cancellation microphone

HyperX Cloud Flight Wireless Gaming Headset

FEATURES/BENEFITS

Gaming-grade wireless with extra-long battery life

Solid wireless connection and 30-hour¹ battery life allow you to game uninterrupted for longer.

Signature HyperX Comfort

Stay comfortable even during long, late-night gaming sessions.

Immersive audio enhances your gaming

Crystal-clear lows, mids and highs help enhance the ambiance of your games.

Durable, adjustable steel slider

Cloud Flight is built to last and endure daily wear and tear.

PC, PS4™ and PS4™ Pro ready

One wireless headset for your PC and PS4 gaming needs. Cloud Flight is also headphone compatible with devices that support a 3.5mm connection² via the included cable.

90° rotating ear cups featuring LED lighting effects

Stylish LED ear cups that rotate for additional comfort.

Convenient ear cup audio and mic controls

Quickly access the controls for LED effects, mic mute, volume and power on the ear cups.

Detachable noise-cancellation microphone

Plug in to communicate with your team, or detach to relax with music.
