GAMING MOUSE MAT

CND-CMP3

5291485001810

You can beat the odds with the careful choice of a proper mouse mat! This one was designed for you to win any battle. Control-type surface of heavily textured weave allows to move a mouse on this mat as precisely as possible. The lower side of it is made of anti-slip rubber base and the upper one is stitched with anti-fraying cloth. This mat will fit with all gaming mice – from beginner to professional levels! And the stylish Canyon Gaming picture will encourage you to be a winner!
