

CNE-CPBF26

Small Powerbank 2600 mAh

If you want to forget about your phone's low battery, you'll need a powerbank. But what if you don't like bags or backpacks and don't want to carry many things with you all the time? That's when this tiny powerbank gets into action! You can rely on its 2600 mAh Li-Ion battery and be sure that it will fully recharge your smartphone whenever you want. Just keep track of its level of charge by looking at the LED-indicators. Enjoy freedom and be confident that you will not find your phone battery "dead" suddenly.
