

**CNS-SEP2**

# Wired Sport Earphones With Microphone

Jog, jump and ride your bicycle while listening to your favourite tunes! Due to the firm and flexible ear-hook, these sport earphones are good for intense workouts. Flat anti-tangling cable will protect the earphones from making mess inside your pockets. Select one of the 3 sizes of earcups to fit your ears and enjoy your favourite sports at the fullest. Using inline microphone and music control, you can adjust volume and take calls while being on the run.
