

Lenovo ThinkPad X13 Yoga GEN 1

The ThinkPad X13 Yoga gives traveling professionals and tech-loving millennials the power, privacy, and portability they need without sacrificing features that make user experience that much more enjoyable. Enhancements in processors, memory, storage, battery life, display options, and wireless connectivity make this multimode device a definite must-have.

Best of all, the ThinkPad X13 Yoga will never keep you waiting now that it features Modern Standby—the ability to wake from sleep in one second and connect to the web a second later. Wherever work takes you, the ThinkPad X13 Yoga is the flexible technology you want with you.

Lenovo ThinkPad X13 Yoga

READY TO GO

The ThinkPad X13 Yoga includes features like Modern Standby, which enable the machine to wake in one second and connect to the internet one second later, and all-day battery life² with the low power touchscreen display option—so it's always ready to work, whenever and wherever you go.

GET CONNECTED

It's easy to stay connected to the people and content that matter to you thanks to the ThinkPad X13 Yoga's WiFi 6, LTE CAT9, and new CAT16 capability as well as its native ethernet port. Whether it's accessing your company's servers or streaming your favorite series, you can work and play without interruption regardless of where business takes you.

NICE FLEX

The ThinkPad X13 Yoga is the go-to device for on-the-go multitasking. It offers the much-loved flexibility of a laptop that quickly converts to a tent or tablet, allowing you to go from presentations to notetaking to emailing and more. An optional garaged pen adds even more options for precision and interactivity through sketching, writing, and marking up edits to documents.

EASY ON THE EYES

Among its many display options, the ThinkPad X13 Yoga offers a brighter, 500nit FHD PrivacyGuard with PrivacyAlert screen¹, which helps you see more with less strain while also stopping data thieves in their tracks. Other options include a 4K/UHD OLED with Dolby Vision™ for truly brilliant color and an FHD IPS on-cell touch display for optimal battery life.²

Lenovo

flexibility

The ThinkPad X13 Yoga accommodates any working style with its 360-hinge that easily transitions between multiple modes—laptop, tablet, tent, and stand.

mobility

The ThinkPad X13 Yoga helps you stay connected on-the-go with WiFi 6 as well as LTE CAT9 and 16 capability.

security

Enhanced ThinkShield features, ThinkShutter, and an improved PrivacyGuard screen¹ keep your machine and your data secure.

optional services

PREMIER SUPPORT

Bypass phone menus and scripted troubleshooting to access advanced-level technicians with the expertise needed to quickly diagnose and solve problems. Get a consistent point of contact within Lenovo to ensure that your case resolution is professionally managed from start to finish.^{1,2}

WARRANTY UPGRADES

Onsite Service maximizes PC uptime and productivity by providing convenient, fast repair service at your place. In addition, with Tech Install CRU service the installation of all internal Customer Replaceable Unit (CRU) parts will be done on your behalf by a trained technician.¹

WARRANTY EXTENSIONS

This fixed-term, fixed-cost service and Sealed Battery warranty extensions helps you accurately budget for PC expenses, protect your investment, and lower the cost of ownership over time.¹

ACCIDENTAL DAMAGE PROTECTION

Protect your investment from operational or structural damage caused by common accidents like drops, spills, or electrical surges. This protection plan helps with predictable budgeting, minimizes unexpected repair costs and provides significant savings relative to the cost of non-covered repairs.^{1, 2}

KEEP YOUR DRIVE

Retain your drive if it should happen to fail, giving you the peace of mind of knowing that your valuable data is secure.^{1, 2}

¹ Up to 5 years total duration
