Lemongrass

Smartwatch. Metal strap with magnet buckle

Just like a lemongrass seasoning that gives a fresh, piquant flavor to any meal, this smartwatch will perfectly complement any of your looks, both sporty and official. Its stylish body and strap are made of metal, which makes the watch more durable and wear resistant. For such an extremely thin body, this watch has an impressive set of sensors and functions. It simplifies camera control, allows you to track notifications and calls and motivates you to lead a healthy life. Canyon Life application provides intuitive connection and convenient synchronization with a smartphone. Put that together with several original clock face options and you'll get everything that a fan of reliable and stylish gadgets needs!
