

This small compact spherical lamp is presented with different kinds of bases. Lamp emits warm light and ensures significant energy savings that minimizes maintenance costs. Available with milky and clear glass.

Advanced technology and high quality production

CANYON ICE COB module for all Canyon LED lamps. In comparison to SMD technology widely used in usual LED lamps, Canyon LED heats less providing stable light output and longer lifetime.

Modern power adapters

Compared to drivers, which are used in many LED lamps, our power adaptors have perfect design, heat less and provide efficient power delivery to the lamp.

Quality without compromise

Canyon products fully comply with all requirements of the EC directives and harmonized standards of the European Union, which has been proved by CE certificate. Our factories are certified by TUV Rheinland, Germany according to the highest European standards SA 8000, ISO14001, ISO 9001 and ISO 17025.

Honest features without valueless advertising promises

All declared specifications strictly correspond to the actual characteristics of the product. We are so confident in our product that we give 5 Years Warranty and ensure easy to change procedure.

Environment-friendly product

High European environmental standards are proved by RoHS certificate. Lamps do not contain harmful heavy metals.
