Smartwatch. Stylish metal body

This stylish and lightweight smartwatch is a perfect tool to support you in your wellness journey. Its case and strap are created in colors, reminiscent of wild forest berries, a healthy and tasty ingredient used in many dishes. Count the number of steps you take every day, track your sporting achievements, check your heart rate, and conveniently switch music tracks during your workouts. In addition to physical activity tracking, this watch will help you get weather forecasts and even take pictures with the remote camera control. The discreet and versatile design of this watch easily fits any outfit, whether it is sporty, casual, or formal. Changeable watch faces will help you to express your taste.

The watch also provides a special women's calendar.
