

**CNE-CPBF200**

Ultra Capacity  
Powerbank  
20000 mAh

Don't worry about the level of charge of your smartphone, tablet or any other portable device! With this capacious powerbank, low battery power is not a problem. The capacity of this powerbank will be enough to charge an average smartphone 6-7 times. You can charge two devices at the same time by connecting them to 2 USB ports and track charging progress by 4 LED lights. Due to incorporated Smart IC technology, this power bank will detect the level your device's power consumption and charge it at optimal power rates.

**Model**

CNE-CPBF200W	white	5291485005320
CNE-CPBF200DG	dark grey	5291485005337
