Press release

ASBIS SK has merged business departments. Igor Zeman takes over the volume distribution section. Peter Ďurka is the new financial director.

Bratislava, 1. august 2016

From the 1.8.2016 IT technology distributor ASBIS SK spol. s r. o. is merging departments of value added and volume distribution under one section, which will be lead from the position of sales director by Igor Zeman. From the same date Peter Ďurka is the new financial director.

Igor Zeman joined the company ASBIS SK in the position of Sales Director of value added distribution on 01.11.2015. Previously, he worked as a senior manager at IBM Slovakia, Datalan and Hewlett-Packard.

„Merging our business departments is one of the important steps in strengthening cooperation and efficiency within our broad business and product team. We expect a further improvement in service quality and communication with focus on the new trends, solutions and using them for our business partners and their customers.“ said Igor Zeman, sales director ASBIS SK.

Peter Ďurka is financial manager with vast experience with leading finance departments in various industries. He comes to ASBIS from the company First Montana Technology. He previously worked for ČSOB Leasing and Lenovo.

About ASBIS SK

ASBIS SK is the largest distributor of information and telecommunication technologies, as well as the largest IT value added distributor in Slovakia. In addition to the classical distribution of IT products it offers customers tailored complete solutions. In 2015 ASBIS SK achieved turnover 256 million euro. ASBIS SK is part of the ASBIS Group, which represents international company supplying IT products to the markets in Europe, Middle East and Africa (region EMEA). ASBIS Group was founded in 1990, has branches in 23 countries and currently employs over 1100 people. In Slovakia, the company has headquarters in Bratislava and branches in Košice and Žilina.
